In Memory . . .

In memory of EVELYN NEWBERRY whose radiant smile warmed our hearts. She was not the type to seek attention and praise for herself; instead, she was a quiet person who always strived for the utmost quality in her work.

Friendliness and a heart-warming smile were her tools for promoting good will among her friends.

Although she isn't with us today, the memory of Evelyn lives on at Laurinburg High School because to everyone who knew her, she was a beloved friend.

This year the council met regularly on every other Wednesday to conduct its business. To establish higher standards of leadership, character, and school spirit, to give the students a practical knowledge of democracy, and to bring about better cooperation between students and teachers are the purposes for which the council was created.

THE FIGHTING SCOT ANNUAL STAFF

The Annual Staff is composed of students from all grades who wish to devote their time to the yearbook.

There are two staffs. One is the production staff which does the actual work on the book itself. The other is the business staff which handles the sales of the annual and works to reduce the price by projects throughout the year.

We try to arrange the book so that there is something for everyone. If there are students who wish to devote their time to the yearbook, we will be happy to have them. We will need new students next year from all grades in order to make the 1966 FIGHTING SCOT the best one ever.
